

Adult Faith Formation/ Bible Study

If you have ever had a conversation with someone from another Christian faith tradition, you may have experienced the feeling that they seem to know more about the Bible than you. Queen of Angels is blessed to have had the opportunity to hold Bible studies for many years now.

Bible studies are currently offered Tuesday mornings and Thursday evenings. The studies we utilize are from Ascension Press, Word on Fire, and the Augustine Institute. Studies vary from a quick look at salvation history in the Bible, to a 26 week study on Church history. Most of the studies offer a video presentation by scholars, discussion time, and reading assignments for the next session.

If you are interested in attending, check the bulletin for upcoming classes, or go to our website www.queenofangels.org. If you are interested in facilitating a class, please contact Katrina Thornton at 619-445-2145 or katrina@queenofangels.org
