

## Altar Society

The Altar society is a community of parishioners dedicated to keeping the altar linens, towels, and cloths pristine for Mass. They also keep the clergy vestments clean. Currently they have a rotating schedule. Simply pick up the linens after Mass and return the following week.

There are special laundering instructions that must be adhered to.

If you are interested please call the office at 619-445-2145 to receive the special instructions and be added to the schedule
