

Environment

Have you ever noticed how somber the church looks during Lent, or how the sanctuary looks like an explosion of spring during Easter season? Have you wondered if we hire professional florists and decorators with your tithings?

It may be hard to believe, but currently the church environment is managed by one parishioner with a handful of volunteers!

This ministry is at its most intense during Holy Week and at Advent/Christmas. Volunteers are needed to iron fabric, water plants, decorate and sometimes move chairs and tables. If you have availability weekday or Saturday mornings and ironing is fun for you, please call the office at 619-445-2145 to have your name added to the list. You can also email dorie@queenofangels.org
