

Detention Ministry

The Detention Ministry is a component of the Restorative Justice Ministry facilitated by the Diocese of San Diego.

Detention Ministers visit the imprisoned weekly and bring the liturgy of the word and opportunity for sharing and prayer to those who wish to participate.

Queen of Angels currently serves Camp Barrett, a juvenile detention facility near Lyons Valley Rd. There are currently several team members, so the time commitment is small.

To join this ministry you must first attend the training at the Pastoral Center. To sign up for training go to www.sdcatholic.org/restore. Once you have completed the training contact the office at 619-445-2145 to be added to the team.
