

Our Youth Ministry involves four parishes in the foothills of San Diego County. After attending the Steubenville San Diego youth conference in the summer of 2017, several youth from Queen of Angels and Our Lady of Light expressed a desire to have their own close knit community closer to where they lived.

The ministry has grown to include Queen of Angels, Our Lady of Light, St. Adelaide of Burgundy, and St Elizabeth of Hungary. The teens have named their community “Mountain Disciples”. The parishes rotate sponsoring Youth Masses and we have a Youth Mass scheduled every month. The teens meet weekly for fun & games and the locations rotate. The dates are available on our Youth Ministry page

Our Youth Ministry cannot exist without **YOUR** time, talent, and treasure. Ways to help include but are not limited to;

Musicians for the Youth Mass, Drivers for field trips and to Mass, Chaperones for retreats and conferences, Cash donations for conferences and retreats, Donations of large ticket raffle items, Donations of snack items for the youth room, Young Adults to serve as leaders, and Prayer Partners
