

CHILDREN' LITURGY OF THE WORD

This ministry is about explaining the Sunday readings to small children in ways they can understand. The children leave the main worship space after the introductory rites and walk over to the multi-purpose room. There the catechists have the same readings, only in more basic form. The children participate by reading, singing the Alleluia and discussion. The age range is from 4 years old up to 10 years. The children return to the assembly at the offertory before the Liturgy of the Eucharist.

Currently this ministry is offered only at the 10:30 AM Sunday Mass. We have enough teams (there are at least 2 adults on every team), so that the time commitment is every 4 weeks. Training is provided.
