

## Andrew Tompkins Memorial College Scholarship Award

Andrew Joseph Tompkins was born to Diana and Paul Tompkins on Easter Sunday, April 12, 1998. He is survived by two sisters, Marion and Julia. He received the sacraments of Baptism, Reconciliation, Holy Communion, and Confirmation at our family parish, Queen of Angels Church in Alpine, California. He was very active in our parish as a member of the children's choir, a long-time altar server, a member of the 412 Church Youth Ministry Group, and he attended the Steubenville Youth Conferences throughout his high school years.

Andrew graduated from Granite Hills High School in 2016 and attended the University of La Verne (ULV) on an academic scholarship to study business marketing. He received the Knights of Columbus scholarship award for the two years he attended ULV and was grateful to the Knights Council for the financial support. Andrew had a passion for learning. He was an Honor Student and an accomplished swimmer and diver in high school and college.

Unfortunately, Andrew was diagnosed with cancer in his second year of college and was forced to suspend his studies while he had surgery and went through chemotherapy for several months. After a very tough battle, the Lord called him home on September 22, 2019 at the age of 21. While Andrew's time at ULV was short, he completed enough units to receive his Associate of Arts degree (posthumous). He was a natural born student and loved school and university life. He would be honored to know that this scholarship fund is now named after him. Indeed, his family is honored that Andrew's memory will live on through all students who go off to college with big hopes and dreams and remain strong in the Catholic faith.

**Introduction**

Dear Queen of Angels Parish student,

The cost of college has gone up year after year. It has risen at a rate far exceeding inflation and, more importantly, many families' ability to pay tuition. However, higher education provides an incredible opportunity to you. It will open doors to new adventures, life-long careers (or a multitude of different careers, if that is your desire), and lasting friendships. It is truly a wonderful path to take and you should be proud that you have chosen to attend a university, college, or a trade school. We are proud of you and your decision and we want to help.

Your Knights of Columbus Council has established a scholarship program supporting our college students in our Parish. That's you! To ensure the best approach for addressing this idea, a committee was formed and we worked hard to put together an application package that will allow you to adequately and fairly present yourself and your justification for earning a scholarship.

We also work hard to meet our goal to increase the amount provided to our students each year. So far, we have given out over \$20,000! The Knights of Columbus Council would love to have you participate in our future scholarship fundraisers.

We wish you the best of luck in your scholarship application and in your higher education journey. Our prayers go with you and we are always available to discuss the benefits and rewards of joining the Knights of Columbus.

God bless you,

The Knights of Columbus  
Queen of Angels Council 10118
