### FROM MAY CROWNINGS TO MEMORIAL DAY, MAY IS A MONTH OF REJOICING

May begins with the celebration of St. Joseph the Worker and continues through May Crowning's and First Eucharists. And in years like 2022, when May falls in the Easter Season, it is also filled with feasts such as the Ascension of our Lord and Pentecost. Yet crammed with softball tournaments, baseball games, proms, and end of school year activities, the pressures of our lives can cause us to treat the Church's celebrations in May as mere intrusions.

The beauty of celebrations in Church is they point beyond us. They lift us from the preoccupation of our lives and direct us to God. Witnessing a **First Eucharist, (May 22)** can give us pause. Seeing the children's excitement at receiving Jesus for the first time helps us recognize that "receiving Christ in your own body is a remarkable event...one that we can all too easily take for granted." (Creative Communications for the Parish).

Christ's bodily **Ascension, (May 29)** reminds us our time on earth, which may seem endless in a world filled with sin and suffering, but is merely a brief moment in God's plan for us. Through Jesus' death on the cross we are promised we too, at the end of time, may join him in heaven for eternity.

At Queen of Angels in May we complement these Church feasts with works of mercy on our own.... The children of Queen of Angels will honor Mary, our Mother, through the flowers they bring to the **May Crowning, (May 8)**. And we end the month with **Memorial Day, (May 30)**, a holiday of remembrance for all who died serving our country. How appropriate we close out May with a day which reflects on those who have died. For as Catholics, our feasts, our prayers and our actions proclaim "a sense of future ...in them we taste that time when we will all be in glory."

## ANNOUNCEMENTS

### May 1, 2022 3rd Sunday of Easter

Could it be that God's image has become so soiled and distorted that it is hard for us to see it? Our self-serving agendas have done a great job twisting God's image into what profits us. We want our agenda to be God's agenda and use prayer as the convincing leverage we need. Worse still, our success and egocentric agenda often erases God's image completely, replacing it with our own. St. Oscar Romero instructs us that the Son of Man "dies on the cross to cleanse God's image, which is soiled in today's humanity, a humanity so enslaved, so selfish, so sinful." Striving to preserve control of our destinies at all costs, we fail to see the risen suffering servant, the Christ, standing right beside us.

Jesus, who suffered and died on a cross and was raised from the dead, corrects our soiled image of God. He shows us God as God is, not who we want to make God to be. God is the God of the poor, the weak, and the marginalized. He is the God who tenderly caresses us when we are suffering and hurting, assuring us that all will be safe and well. He is the God of equity, peace, justice, and compassion who wants happiness for each of His children, desiring their wellbeing and success. God goes where men and women are afraid to go, sitting with the lost, the broken, and the sorrowing. St. Oscar Romero challenges us to illuminate with "Christ's light ... even the most hideous caverns of the human person: torture, jail, plunder, want, chronic illness. The oppressed must be saved." The resurrection calls us to be God's microphone, a messenger, and a prophet (St. Oscar Romero).

Using eyes that see beyond the limited constructs and desires of our world, we can see the true and real Jesus standing before us, calling us to transformation and change. Asking us more than once, "do you love me?" We are beckoned to give an answer. Answering in the affirmative, it is now our task to feed the sheep and the lambs who belong to God. In short, equipped with the power of the resurrection and a corrected image of God our task is to make things better, brighter, holier, more life-giving, and just for all of God's children. Considering our choices, our interactions, our philosophies, and aspirations, how can we do this?
