## ANNOUNCEMENTS

### WHY THE CHURCH OPPOSES PROPOSITION 1

Brothers and Sisters,

This year in California, we are called in a very specific way to reject the pathway of making illegal virtually all limitations on abortion. Proposition 1, which would enshrine in the state constitution the ability to have late-term abortions and abortions for purposes of gender selection, as well as allowing subsidies for abortion for people who do not even live in California, is absolutely incompatible with the Gospel call to protect all human life. And we must witness to that contradiction in our role as citizens.

The very excruciating issue of abortion calls us to balance the challenging problems of women who are pregnant with the lives of unborn children. Proposition 1 simply obliterates the moral reality of the unborn child in striking this balance. As people of faith, we must not accept such a logic.

Instead, we must work within our society to build a comprehensive framework that genuinely protects and builds the dignity and sacredness of human life in its fullness, at every stage and for every person. Only if our state's voters reject Proposition 1 can we meaningfully proceed toward this goal in California. And that must begin with us.

May the Peace of Christ be with You Always.

Sincerely and Respectfully,

*Robert Cardinal McElroy*

#### VOTE "NO" ON PROPOSITION 1

Proposition 1 is a worst-case scenario for abortion in California. It is an expensive and misleading ballot measure that allows unlimited late-term abortions – for any reason, at any time, even moments before birth, paid for by tax dollars.

Prop 1 isn't needed. Sadly, California already has some of the most permissive abortion laws in the nation that would remain in effect without the amendment, including our current limit on late-term abortions that are permitted only for the life and health of the mother. Prop 1 destroys this common-sense limit.

California does not limit state spending on abortion, and with thousands more traveling from other states, the cost will be in the hundreds of millions. Don't hand lawmakers a blank check to pay for abortions, and don't let them make California an "abortion sanctuary."

### GOSPEL MEDITATION 26th Sunday in Ordinary Time

"If they will not listen to Moses and the prophets, neither will they be persuaded if someone should rise from the dead." Regardless of how the message of faith is received, a total conversion of mind and heart is needed for it to take root and have meaning. It is easy to become complacent and comfortable with all that life can afford us. Life can become "all about me," preserving my livelihood and protecting my securities. Often, this drive can become so strong that we eagerly strive to protect our self-interests at the expense of others. Other people are necessary only to the extent that they are "useful" to us and profitable.

Merriam-Webster defines entitlement as "the belief that one is deserving of or entitled to certain privileges." In a world that pretends to offer us so many necessities, this is perhaps the greatest contemporary sin. When we feel "entitled" to something, even if it is perceived necessary, our relationships can get skewed. Unless we adopt a global vision of entitlement wherein everyone is entitled to the same things, we risk becoming extremely self-focused and selfish. All we care about is defending our rights and protecting our turf. This impulse can be so strong that we pursue it even at the expense of another. Is this what God intends for his children?

Holding on to this myopic vision, the plight and station of others are off our radar and of no real concern to us. Relying on our own merits and becoming resilient to life's challenges, we replace the true and real God with the one we created ourselves. Jesus and the prophets before him have consistently reminded us of the dangers of wealth, ignoring the poor and the needy, and becoming too fiercely independent and arrogant. Yet, we conduct our lives as if that message has never been preached. We give our faith a nod and never consider for a moment that we may be wrong in terms of what we see as important. "The things that we love tell us what we are (attributed to St. Thomas Aquinas)." Ponder those words a bit and remember that when we leave this world and go to the next one, what we loved here is what we will look for there. What we sought here may not be there.

## ANNOUNCEMENTS

**The purpose of the Beginning Experience ministry** is to facilitate the grief process for widowed, separated, and divorced persons, enabling them to again love themselves, others, and God. We offer quality grief resolution programs presented by trained peer ministers who have experienced the same loss of marriage themselves. The program is designed to lead grieving people to a new beginning in their lives when they are ready.

A key to the program is facing your feelings, no matter how deeply they are buried. We believe that feelings cause grief for a significant loss and they can help resolve it: Individuals participate in the death and resurrection of Christ as they live in the world today.

The group leaders have all had the loss experience and can effectively walk with participants for whom the experience is new and hard.

The invitation to recover offers an opportunity to transform one's life, freeing individuals to love self, others, and God in new and deeper ways.

**Early registration is strongly encouraged.**

We give thanks to God for the recent overturning of Roe v. Wade by the Supreme Court, but the situation in California for the unborn has become even worse since then, as leftist pro-aborts have leaned into trying to make California an "abortion sanctuary" for other states. In some ways things are even more dire than before, so we are already looking ahead to

**40 Days for Life** campaign, which will run from **September 28-November 6**.

Along with our neighboring parishes, we will be manning the sidewalk outside the Planned Parenthood in El Cajon on Tuesdays, and our first day will be Tuesday, **October 4**, the Feast of Saint Francis of Assisi.

**Please see the sign-up sheet by the main entrance of the church if you are interested in getting involved,**

and keep our state, our leaders, and especially the unborn and their mothers in prayer!

Please contact Patricia at [hansenpat@msn.com](mailto:hansenpat@msn.com) or 619-445-3822 for more information.
