### MISSIONARY APPEAL

Office for the Missions San Diego Diocese

Christianity is India's third-largest religion with approximately 30 million followers, constituting 3% of India's population. Around 70% of Christians are Dalits, a marginalized group without any rights or power. Dalits are formerly known as 'Outcaste or Untouchables' under the caste system of India. For centuries, they have been deprived of education, social justice, and equal opportunity. Due to poverty, the children are unable to continue their schooling and end up working in restaurants, tea shops, brick kilns, hazardous firework factories and weaving factories. They are robbed of their beautiful childhoods and bright futures. More than 15 million children are listed as child laborers in India. The only way these children can break this vicious cycle of poverty, abuse and oppression is to return to school. In this painful context, our Bishop, A. Neethinathan makes this appeal in seeking your help and prayers. Your generosity through this mission appeal can help our children return to school and enjoy their childhood. You can surely prevent many children from child labor, child trafficking and child migration. Your contribution will be used to pay school fees, books, and uniforms. You can also support a child through educational sponsorship at [www.dalitsolidarity.org](http://www.dalitsolidarity.org)

Thank you and may God richly bless you for answering God's greatest commandment -- to love.  
God Bless You.

#### Lectio: Philippians: Life in Christ

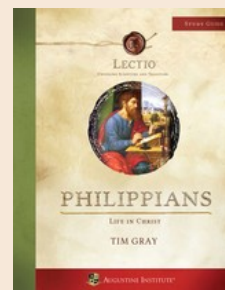

Toward the end of his life, under arrest and awaiting trial in Rome, Saint Paul writes a short but powerful letter to the Philippians. Paul's affection for the Christian community at Philippi is apparent from his opening words. The Philippians were not only Paul's sons and daughters in the Faith but also his partners in sharing the Gospel of Jesus Christ.

With his words and the example of his life, Paul exhorts the Philippians to have the mind of Christ, to live a life worthy of the Gospel, and, by God's grace, to gain Christ.

### His Faithfulness Endures Forever

The Eucharistic Revival movement has been an act of faith from the beginning:

- Faith that Jesus desires to reveal himself more deeply in the Eucharist.
- Faith that he has the power to heal, restore, and unify his people.
- Faith that when the Lord extends an invitation, he will fulfill his promise.
- Faith that when we prepare tinder, he will set it ablaze with his love.
- Faith that when we gather in his name, he will show up.

And **Jesus did show up!** In an unprecedented National Eucharistic Pilgrimage, Jesus blessed the United States with his Real Presence in the shape of a cross—forming a giant Benediction over our whole nation. Lives were changed, hearts were ignited, and this powerful witness of Eucharistic faith continues to bear fruit in communities across the country.

This past week, 60,000 Catholics gathered in Indianapolis for the first National Eucharistic Congress in nearly a century. Together we anticipated a fresh outpouring of grace and asked Jesus to set us ablaze with Eucharistic love. And **we were not disappointed!**

God showed up in power: lavishing his love upon his people, pouring out his holy fire, filling us with hope, and igniting a zeal for his Kingdom that has already propelled our Church into a new season of apostolic mission.

**Please join us in praising the Lord for his unfailing generosity.**

This movement is not over. We can't wait to see what he has in store for the third year of the Revival—our Year of Mission! Stay tuned to find out how you can be a part of *Walk With One*, the flagship initiative for this next chapter. Come, Holy Spirit!

### GOSPEL MEDITATION

July 28, 2024  
17th Sunday in Ordinary Time

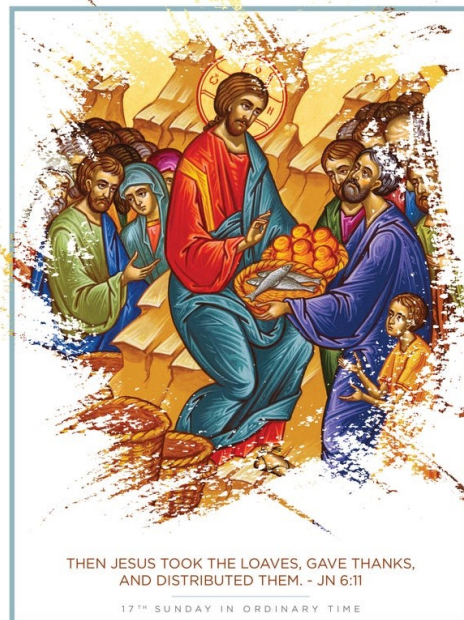

The world is filled with people whose basic needs aren't met, whether for clean water, nutrition, safety, education, meaningful work, stable family life, basic medical resources, religious freedom, and the right to life. So how can we possibly believe what Psalm 145 says to us this week, **"The hand of the Lord feeds us, he answers all our needs"**? Does he? What about the countless poor? Can't we identify at least a few unmet needs in our own lives right now? Is the Bible promoting wishful thinking and laziness in helping others?

No. The psalm flows from Israel's experience of God's relentless fidelity again and again —especially in the Passover from Egypt. This divine providence is recalled when Jesus feeds the needy multitudes in the Gospel of John. Passover arrives once again, and the people are hungry like the ancient Israelites on the wilderness journey. What is new is that in Jesus God not only provides for their needs, but He learns what it's like to have those human needs. He shares them too. He feeds them bread and fish; and even more, He hungers to provide them, and us, much more than just that kind of perishable food.

Our deepest need is for God. Like the multiplied bread, all earthly provisions ultimately fail, for we all finally die. Of course, our obligation to meet the needs of the poor is basic. But Christ promises to feed us with the one bread that never fails: God Himself. He is humanity's eternal food. If we eat this bread, we taste the faithfulness of God who answers all our needs, even when every earthly thing fails.

— Father John Muir
